Road Report

No report this month

Birchwood Four Corners Emergency Services

The fire department had 4 runs, and the ambulance had 12 total runs (none in Cedar Lake). They have given 4 CPR classes. The Golf Tournament is on May 17th. They have 32 teams. We are under a no burn section of Wisconsin right now, this includes campfires.

Old Business

Surveillance System: The discussion on a new surveillance camera was from the agenda, with the decision made to continue using the current system.

New Business

Liquor Licenses: A motion was made by Tony and seconded by Kory to approve an "above quota" liquor license for "The Gathering Place" at a fee of \$500. All were in favor and motion passed. This state-issued license is renewable annually.

Recycle Bin Relocation: A motion was made by Tony to move the recycling to the town shop, seconded by Jim. All were in favor and a motion was passed. There was discussion about moving the recycles to the town shop. The exact placement is to be determined to avoid interference with operations. Thoughts were to give a notice a few weeks before the move for the public to realize the change. Also mentioned was the placement of a camera to be installed that will monitor the new location.

Clerk College: A discussion was held about approving \$999 for Cindy to attend a year-long "clerk college" program. Despite some hesitation due to the appointed term length, Tony made a motion, seconded by Jim to fund the training from the existing budget. All were in favor and motion passed.

Town Hall Cleaning: A proposal from Alicia Robotka's cleaning company was received. The board will take her bid for review and decide in June.

Correspondence

Dust: Tony received an email from a resident with a concern about high levels of dust on his road due to ATV's coming right off the trail. There was discussion on what could be done. Tony will let the resident know his best solution will be to contact the Rice Lake Snow and Dirt Club about possible signage.

Building Permit Issue: A resident, Brad, is continuing to contact state agencies over a building permit. The board's position is to cease communication and wait for him to either obtain a proper permit or take legal action.

Speed Limit Posting: A resident sent an email as she is concerned about people speeding on her road. Kory will research signage regulations and determine what signs to order.

Tony made the motion, seconded by Kory to pay the bills and adjourn the meeting. All approved. Meeting adjourned at 7:29 pm.

This meeting was posted at the Town Hall, Red Cedar Country Store, LLBC and the website.

Respectfully submitted,

Cindy Zuleger, Clerk
